

## E-VERIFY

Louisiana Bridge Builders participates in the federal government's E-Verify program, which confirms employment authorization of all employees through an electronic database maintained by the Social Security Administration and Department of Homeland Security. For new hires, the E-Verify process is completed in conjunction with the Form I-9 Employment Eligibility Verification no later than the first three days of employment.

E-Verify is not used as a tool to pre-screen candidates. For up-to-date information on E-Verify, go to [www.e-verify.gov](http://www.e-verify.gov). You can also find additional information below.
